

We at UNITS of Memphis are delighted to collaborate with Mempho Presents in supporting the 2024 SmokeSlam: The World's Ultimate BBQ Showdown. Our role includes supplying portable storage containers to the participating teams.

Each container, measuring 8' x 8' x 16', guarantees not only safe and secure storage but also weather protection. Delivered to your booth with precision and care using our specialized truck and ROBO, we require a team member present during delivery. For a clear understanding of our delivery mechanism, please visit our website at www.unitsofmemphis.com

This year, our service is offered at \$595.00 plus tax, inclusive of delivery and pick-up for the event. Additionally, we provide an option for pre-event and post-event loading and unloading at your chosen location, at an extra cost of \$150.00 plus tax each way, within our standard delivery area.

Place your orders with a credit card, ensuring payment by May 1, 2024. To secure your container, kindly return the attached form to the email address mentioned below. Our containers are available on a first-come, first-serve basis and are limited in number. Our container sales team will follow up with teams responding to this offer to complete necessary paperwork and finalize service agreements. We can also supply a disc lock for the container at \$12.00 each.
